ASL Approval Letter

For attention to MIC(Suzhou),

Your following process has been approved by Interiors supplier chain as registered into Interiors special process ASL being effective from Mar-8-2019

MIC(Suzhou) has been registered as an approved supplier following our evaluation or questionnaire. We have therefore allocated our Supplier Approval to your organisation and have made the appropriate entry on our Register of Approved Suppliers. This approval, which may be amended or withdrawn at the discretion of Interiors, covers the following scope:

Location: MIC(suzhou) dry film lubricant workshop

Supplier Type: Surface treatment

Approved Process Scope: Dry film lubricant

Interiors application specification

| Spec | Description |
|--------|--|
| AS5272 | Lubricant, Solid Film, Heat Cured, Corrosion Inhibiting, Procurement Specification |

Supplier shall be responsible for complying with Interiors specification on drawing, purchasing order and other standards.

Interiors shall be notified immediately in writing when any changes are made to the location, quality system, organization chart, manufacturing and testing process that may affect product quality before you implementing the changes.

This approval will be subjected to periodic re-assessment and review by Interiors, Interiors will keep the authority to conduct the on-site audit.

Regards

Interiors Supply Chain Asia
